Personal attention and customized menus have earned the Toll House Hotel its outstanding reputation. The Toll House Hotel can host your company in either indoor or outdoor event areas. Inside, the aptly named Summit Room is tailor-made for corporate meetings. The Santa Cruz Room overlooks the giant oak trees and the Santa Cruz Mountains. The two Larkspur Rooms are used separately or combined for functions and receptions. Pre-function events are held in the adjacent Foyer, where overstuffed chairs and love seats tempt you to relax and network with your colleagues. Our popular Private Dining Room overlooks the courtyard and is perfect for special events.

Meetings sometimes continue informally in our lounge, which can double as an extended reception area. Our outdoor courtyard and patio areas allow you to enjoy a leisure lunch with a tranquil sound of our waterfall. Please inquire about our Audio-Visual equipment price list. High-Speed Internet access is available in meeting rooms and wireless access in the lobby and foyer area. Complimentary parking offered for all attendees and overnight guests.
